### **Спорт. Здоровый образ жизни. Занятия спортом.**

Thousands of people go in for sports, because sports help people to keep in good health.

The most popular sports in our country are athletics, football, volleyball, basketball, hockey, gymnastics, skiing and skating. There are lots of stadiums, sports clubs, and sports grounds in our country. If you want to keep fit, you must go in for one kind of sport or another.

Sport is an essential part of my daily life. Every morning all the year round I do my morning exercises. Almost every day I do some training. In summer I go swimming and rowing. I usually spend my winter holidays in the country where I ski, skate or toboggan.

In every school pupils spend much time going in for sports. First of all they have their physical training lessons. From time to time every school organizes competitions in different kinds of sport. All my friends go in for different kinds of sports, such as water sports, gymnastics with or without apparatus, fencing, wrestling, boxing.

Of all outdoor games I prefer football. Sport makes people strong, healthy, and gay, I like it very much.

The Olympic Games have a very long history. It is a very old tradition in the world of sports. History tells us that the tradition began more than two thousand years ago, in Greece.

All the cities sent their best athletes to the city of Olympus to compete in the games. During the Olympic Games all wars between the cities stopped and the people lived in peace.

The Olympic Games are the favourite sports of all countries : running, high jumping, gymnastics, football, basketball, swimming, skiing, skating and other sports.

The Olympic Games take place every four years. The Olympic Games Committee decides the place of the Olympic Games and the sports that the athletes will compete in.

### **Гости. Готовимся к приёму гостей.**

Let me introduce myself. My name is Stepan. I'm 15 years old and I study at the 9th form of the local high school. I'm a sociable and outgoing person by nature. I like all kinds of parties and celebrations. I'm always full of new ideas and people call me a party animal. I'm rather good at planning and organizing different events and I like being in the center of attention. One of the recent parties I have arranged was my cousin Peter's birthday. He is two years younger than me and his family has just moved to our town. He doesn't have many friends yet, so I've decided to help him with party arrangement. He agreed to invite some of my best friends, because the more people, the merrier the party. The flat, where he lives, is rather large. There are three bedrooms and one living-room. We chose to decorate the living-room. Peter's mum prepared some delicious salads and ordered three pizzas. At the nearest supermarket we bought several boxes of fruit juice and two large bottles of Cola. We thought that should be enough for everyone. It was going to be a mixed party, so not only boys, but some girls were also invited. While Peter was helping his mum with cooking, I decorated the living-room with colorful balloons and wrapped his present. I also thought over some party games. When the guests arrived, we together sat at the table and had a quick bite of different goodies. After that, one of my friends played the guitar and we sang a song to congratulate my cousin. Then, we played a round of "Mafia", as everyone liked this game. After that, we turned on the music and danced. Luckily, the room was quite large, so we had lots of space. I could see that Peter was having a great time and that made me happy.

## CROCCROSSWORDS

The crossword (puzzle) first appeared on December 21, 1913. Arthur Wynne created it for the New York World newspaper. Wynne gave 35 clues and called it a word-cross. The puzzle was a great success. The cross-word, as it called today, is the world's most popular game. Nearly 90 percent of the world's newspapers publish them. In the United States there are nearly thirty million fans of this game.

Most forms of games require a partner. Crosswords do not. This is, perhaps, the reason why they attract so much attention.

Why do people do crosswords? Maybe for educational value. Most fans say that they play crosswords to check their abilities and their speed in doing the puzzle. The more they play, the more they become to solve the most difficult crosswords.

But most experts doubt that puzzles teach anything. They say the most evident reason why the crosswords are played is that they are done just for fun.

There was once a very rich sick lady whose husband had died, and whose children had married and gone to live in foreign countries. When she reached the age of 80 and was too old to look after herself, she went to live in an expensive and comfortable hotel near the sea in the south. This rich old lady had a pair of nasty dogs which she loved dearly. They lived in the hotel with her and went wherever she did. There was a young waiter at the hotel who did everything he could to help the old lady and be nice to her. He even pretended to like her unpleasant dogs and offered to look after them in his free time. He fed them, cleaned and looked after them, took them for daily walks for some years.

The young waiter did not doubt that when the rich widow died she would leave him a lot of money, to pay him for everything that he had done for her dogs.
